

## News from the PTA Presidents

Sasha Overholt and Kathryn Todd

We would like to thank Michael Maffoni for the very informative talks at our February and March general meetings. We left those meetings with a better understanding of the budget for next year and the rating our school received this year.

As we come out of spring break, the PTA begins the process of locating and confirming officers and committee chairs for next year. The next PTA general meeting April 9, at 8:00 a.m. in the cafeteria, is dedicated to answering questions from those interested in more information on the duties and responsibilities of chairing a committee, and what the different committees are about. A list of committees and chair positions is inside this newsletter.

The board of Directors also begins looking to fill vacating spots. Under the current board system, the president, co-president and treasurer position have an overlap so newcomers need not fear that they will be overwhelmed – there are always two of you! Come find out what the board positions are about and whether you might be able to fill one of those slots, or know a friend who is suited for the position. There is no obligation or commitment in asking questions.

We are very pleased with the turn out of 26 students from all grades at the initial student leadership club, now named “Grizzly Guides”. This turn out speaks to the desire and willingness of our children to get involved and be heard. Read more about the first meeting of this group and how your child can get involved inside.

The next PTA general meeting is April 9<sup>th</sup> at 8:00 in the cafeteria.

## Get Involved with Maple Grove PTA

***Have you always wanted to get involved with Maple Grove activities but didn't want to over-commit? Well, here is your chance! We have some open chair positions available! Join the Fun! Please email any PTA board member if you have any questions or interest. [www.maplegrove-pta.org](http://www.maplegrove-pta.org)***

**Advertising/Sponsorships** – We would love to have one or two people in charge of a group who took care of all the solicitations and contacts with the business community. This committee would support our 2 fundraisers the Gala and the Gallop at the Grove. This would probably occur mostly in January and May.

**After School Enrichment-** Do you want different programs offered at Maple Grove for your kids to participate in? We need one person to be the liaison between the organizations and school! Minimal time commitment. Minimal time throughout the year.

**Gala For Grown-Ups** – WOW! Wasn't this a fun evening to meet more Maple Grove parents and support a good cause? We need a couple of Co-chairs to bring this fun social evening back next year! One month of effort and working with a FUN group around January/February 2010.

(continued on next page)

## Get Involved with Maple Grove PTA (continued from previous page)

**Grant Writing-** Are you familiar with writing grants? Our school is lucky to have an active PTA, but technology is expensive and quickly outdated. Maple Grove doesn't have a lot of the standard items that are being installed into new schools (yes-SMARTboards are STANDARD in all new schools). There is LOTS of free money out there we could tap into! Minimal effort as grants arise.

**Grizzly Greeters-** This is a wonderful Welcoming Committee for families new to Maple Grove. We need a co-chair and some volunteers to help new families get settled next Fall. August only and phone calls to new families throughout the year.

**Health and Safety –** This committee is dedicated to developing and instituting programs governing the health and safety of our students at Maple Grove and in the surrounding community.

**Maple Grove Merchandise-** Selling t-shirts at registration. Easy, fun! August only.

**Membership-** We would love to get one or two energetic individuals who can boost membership to PTA and perhaps even get business members. We would love an individual who could help out at registration and talk about PTA events. This is an August only position and filing required PTA membership forms with the state.

**Young Writers-** Coordinate this great program for all of our budding young authors at Maple Grove. Coordinate 4 workshops with teacher coordinator in April, coordinate Sharing Day in May for all participants as they read their work to students and a parent volunteer. Small time requirement, maybe 3-4 hours, workshops are in April, Sharing Day in May. Lots of notes from past chairs.

**Maple Leaf-** Help edit and publish the monthly newsletter. All the articles are sent in you assemble. Maybe 1-2 hours a month. Easy to do from home.

**Reflections-** This is a Nationally PTA sponsored event that TONS of kids participate in every year. A topic is given to the kids and they can write about it, draw a picture or do anything their minds want to with the topic. We need a co-chair for this event to help kids mount and display their art projects and to help organize 2 or 3 workshops. This usually happens in September.

Don't want to chair an event? We can still use your help.....the Volunteer Voucher booklets will be going out on the last day of school and it will outline many ways to get involved at Maple Grove next year. The PTA truly appreciates all of the support and volunteers we have had from the community this year.

CALENDAR FOR APRIL 2009

Teaching Music, Building Brains

Sign up your child now for after-school music classes right here at Maple Grove Elementary **STARTING Nov. 3!** Your child will LOVE learning and playing music with their peers! We offer **Beginning Keyboard** and **Beginning Guitar** classes that are affordable and convenient. Each class is filled with games, laughter, and FUN! **Keyboards For Kids** has been teaching children to love music since 2003. Kids love our teachers and our positive supportive atmosphere! Enrolling now! Classes are small and fill quickly. We have payment plans and tuition assistance available. See our website to register and get more information about us. Look for our flyer in your child's folder!

**DEAR EDITOR**

The Maple Leaf newsletter is published monthly by the Maple Grove PTA. We hope to keep you updated on Maple Grove news and informed about issues that affect your children.

To submit articles: **Email plain text or MS Word document to: [mapleleaf-news@yahoo.com](mailto:mapleleaf-news@yahoo.com)**

**ARTICLE DEADLINE –  
March 18th ,Wednesday for April Edition  
April 21st, Tuesday for May Edition**

**News from the Principal: Michael Maffoni**

Dear Maple Grove Families,

As we welcome the spring season, we commence a busy and exciting time of year at Maple Grove. Over the course of the next two months, students will be engaged in various classroom projects, assessments, and activities. Watch for classroom newsletters that will highlight upcoming events. It is also important you take note of the marquee, this Maple Leaf newsletter, and the Maple Grove School Website for upcoming early release days, flex days, noncontact days, conferences, and special all-school events throughout April and May. We are excited to usher in spring and look ahead with enthusiasm to the remainder of the school year when additional student learning will occur.

**A GREAT Grizzly Gras!**

Thank you to the numerous volunteers and participants who made the 2009 *Grizzly Gras* a sensational event! The Grizzly Gras was meticulously planned, and everyone enjoyed an evening of great food, entertainment, and an opportunity to socialize. The event attracted many parents and staff members. It was fabulous to see everyone gathered together for a common goal...to raise funds for Maple Grove's technology. This money will directly benefit student learning in our building. Thank you to the individuals who worked tirelessly to organize and implement the Gras. It was indeed a memorable time!

**CSAP 2008-2009...Completed!**

Congratulations to Maple Grove's 3<sup>rd</sup>-6<sup>th</sup> graders for their thoughtful work on this year's CSAP testing. Students worked hard to demonstrate their understanding of reading, writing, math, and science content. Thank you to our families for taking the CSAP testing seriously and opting to schedule appointments at alternative times. Maple Grove's CSAP tests have been submitted to the District's Assessment Department. Test results will be available at the beginning of the 2009-2010 school year. The one exception is 3<sup>rd</sup> grade reading scores, which will be available prior to the end of this year.

**Conferences Are Coming**

As you look ahead on your calendar, please remember that Maple Grove is hosting 1<sup>st</sup>-6<sup>th</sup> grade spring conferences on April 22-23. Information specific to your child's conference, i.e., date and time, will come home from your child's teacher. Watch for this information in an upcoming Friday folder. When you think forward to your conference, spend time formulating specific questions you can discuss with your child's teacher. Conferences are an opportunity to glean information on the academic and social growth of your child. We hope to have 100% parent participation!

**Mark Your Calendars for Our Second Parent Information Night ...**

Maple Grove is hosting a follow-up meeting regarding Child Safety in late April in the LIC. The title of this evening's presentation is, again, *Safe to Tell*. For this presentation, classroom teachers will be highlighting the specific programs and processes we use to regularly engage our student body in discussions on Safety and Bully Prevention. The topic is pertinent, and we are hopeful you will attend. *Watch for a flyer coming home soon with important information.*

**Think Ahead to Next Year**

Springtime always begins conversations about next year. As a staff, we initiate conversations about staffing, grade level changes and class lists. Classroom teachers work diligently to ensure diverse classrooms and engage in a thoughtful and thorough process to create the best classroom environment possible. If you would like to provide input to your child's current teacher in regards to next year, please stop by the office to pick up a Parent Input Form. This form allows you to offer insights of your child's learning needs to be used in his/her classroom selection for the 2009-2010 school year. Please know that Maple Grove does not honor specific teacher requests. Please note that a Parent Input Form is optional, and is one piece of information used to determine the best classroom for each child. All Parent Input Forms must be returned to the office by April 24, 2009. Please call Maple Grove's office if you have specific questions.

(continued on next page)

(continued from previous page)

As the grass begins to green and the days are warmer, we hope to see you around the halls of Maple Grove. We look forward to sharing the wonderful things happening in our building. Happy Spring!

Michael Maffoni

Principal

### The Wednesday Afternoon Milers

The Wednesday Afternoon Miler Program is a free, after-school program that will begin on *Wednesday, April 8<sup>th</sup> from 2:30 – 3:15pm* and will run every Wednesday afternoon through May 13<sup>th</sup>. It's a great way to get ready for the Gallup for the Grove!

- We will meet in the playing field behind the school.
- It is available for all students K-6<sup>th</sup> grade who are interested in joining their friends & classmates in fun, active group & individual games/activities that focus on improving cardiovascular fitness.
- Students will be divided into smaller age-appropriate groups dependent on number of participants per week.
- It is designed by coaches and supervised/led by parent volunteers.
- Parents are welcome to join in and participate as well as volunteer to help.
- For more info, please contact Anne Elgerd at [aelgerd@comcast.net](mailto:aelgerd@comcast.net)
- If your child is interested in participating, please fill out form below and return to classroom teacher by Friday, March 27<sup>th</sup>.

As this is an outdoor program, it is weather dependent. Please plan on picking up your child if there is inclement weather. If the weather is uncertain, we will call your contact number by 2:00 pm if we need to cancel.

The Monday Morning Milers program will soon be resuming at Maple Grove. Come join your friends as we walk, stroll, jog, or run around the track in the morning before school and all get fit together. Through weekly tracking of total mileage, we encourage goal setting and acknowledge personal /collective accomplishments.

WHAT: A fun, non-competitive opportunity to log some miles on your sneakers & get in shape doing it.

WHERE: The track behind Maple Grove School.

WHEN: Every Monday morning from April 13<sup>th</sup> through May 11<sup>th</sup>, 7:15am – 7:45am

Here's your opportunity to build up your endurance and confidence for the Gallup for the Grove Run on May 17<sup>th</sup>-or just run for the fun of it.

You do not need to sign up for the Monday Morning Milers Program. Just show up with sneakers and a smile!

## Bake Sale!

April 21 3:00-5:00

(at Library Entrance)

Enjoy a yummy snack while at the Book Fair! Maple Grove 5th graders are sponsoring a bake sale to support the people of Zimbabwe who are in the midst of a cholera outbreak. If you'd like to donate bake sale items contact Mrs. Thompson at 3/982-5797.

## ***SCIENCE – LIGHT THE SPARK!***

### **Science Fair 2009**

Nearly **100 students** have signed up to participate in the Maple Grove 2009 Science Fair! With this number of participants, this could be the best year ever!

For all participants, **science questions must be turned in by April 7, 2009** (the Tuesday following Spring Break). If help is needed, please contact the Science Fair committee and a parent advisor will call you. Registration packets were sent home with all students in early February, but if you need an additional form, don't hesitate to contact the committee.

**The Science Fair will be held on Friday, April 24, 2009 at Maple Grove.** During the day, all classes will view the exhibits, and real world scientists will meet with each participant. The final event is a **school-wide science/magic show at 7 pm on April 24<sup>th</sup>** by Kitty and Bruce Spangler of FutureQuest, sponsored by the PTA. Bruce and Kitty travel to elementary schools throughout Colorado sharing their enthusiasm for learning science with thousands of students and teachers. Through their highly energetic and entertaining show, children learn how science plays an important role in their everyday lives. This is a "must see" show for students of all grades!

Finally, we'd like to congratulate the winner of the Science Fair 2009 logo contest: **Lauren Lundeen!** Her design will be featured on all further promotional material, the Science Fair program, and the Science Fair T-shirts. Other wonderful entries were received from Eric Dalton, Tanner Dalton, Megan Durden, Brandon Hyland, Jordyn Hyland, Samantha Lautrup, and Shane McConnell.

The Science Fair is sponsored by the Maple Grove PTA and is run by parent volunteers. We adhere to guidelines set forth by the Science Department of the Jeffco Schools regarding science fairs in elementary schools. If you would like to volunteer to help with the Science Fair, or if you have questions, please call Science Fair Chair Donna Walker at 303-956-6429.

## SAVE THE DATE FOR

### Gallop at the Grove

Maple Grove's 2nd Annual 5k Run/Walk & 1k Fun Run

**Sunday, May 17<sup>th</sup>**

proceeds from the race will benefit many important projects funded by our PTA

**Help! - We need dedicated volunteers to help make this day a success!**

## **GRIZZLY GUIDES UPDATE: MG's New Student Leadership Club**

*"We do not have to choose our favorite among the seasons .It is only necessary to rejoice in the beauty of their differences."* -Evelyn H Lauder

- 26 in attendance for our first meeting!!
- Played an icebreaker game of "Pile Up"
- Discussed the Pennies for Patients Campaign (April 13<sup>th</sup>-24<sup>th</sup>) and goals for the next two weeks

NOTE: Drop-off for milk jugs is under the PTA table

- Will decorate and make posters next week. March 23 @ 2:30 in Rm #17
- April meetings will be on **Monday the 13<sup>th</sup> and the 27<sup>th</sup> @ 2:30 in Rm #17**
- Spirit Week in May. More to come!
- Discussed recycling program at our school
- Students will meet with Mr. Maffoni about our ideas and progress
- Brainstormed ideas for recycling in the cafeteria and how to have a successful plan

*Remember we have an open door policy and all ages are welcome. Bring a snack and join in whenever your schedule permits.*

## **Camp Invention**

This summer, children will plan and execute a make-believe trip to Mars during an innovative program hosted at Maple Grove Elementary. At the Camp Invention program, children are challenged with hands-on activities that foster creativity, teamwork, science literacy, and inventive-thinking skills. The program was created by the National Inventors Hall of Fame Foundation in 1990, with support from the United States Patent and Trademark Office.

The top priority of the Camp Invention program is to provide quality enrichment activities for children entering first through sixth grades. An inquiry-based program offered to your local school district, participants' understanding of science, math, history, and the arts is enhanced as they participate daily in five activity-oriented thematic modules.

The program runs for one week from 9 a.m. to 3:30 p.m. daily. Each day, up to 110 children rotate between five thematic modules that build upon what was learned the previous day. The program's integrated curricula align with national and state education standards and are taught by certified teachers from the local community.

The Camp Invention program was featured in the September 2006 issue of Child magazine as a program that fosters the current "hands-on, minds-on" philosophy of leading educators. Due to its innovative approach to learning, it has also been highlighted on National Public Radio's Science Friday and in newspapers, magazines, and educational journals across the country.

Since its inception, the program has grown to include more than 1,000 sites in 48 states. In 2008, more than 66,000 children participated nationwide. "We're getting to the root of innovation by providing motivation to learn, create and excel, particularly in the critical areas of math and science," said Michael J. Oister, president of Invent Now Kids, the subsidiary company that provides education enrichment for the National Inventors Hall of Fame Foundation.

During this summer's Camp Invention program, children will not only become the first to find the hidden treasure of the Vikings in the Viking Treasure Trek: The Quest Begins™ module, but also engineer and build the next great land vehicle in the Land Sled X-Treme™ module, and learn how superheroes fly and create their ideal comic book star in the Comic Book Science: FlyJack and Jill™ module.

### Camp Invention Conitnued...

Each year children participate in the I Can Invent: Complicated Machines & Fantasy Inventions™ module. This module continues to reinvent itself year after year. This summer, younger children will take apart discarded household appliances and create new inventions, while older children will build Rube Goldberg machines. During the Recess Remix™ module, children will put their own spin on classic games of yester-year.

Coming July 27-31 to Maple Grove Elementary for the 9th year...9:00 AM 'till 3:15 PM

Director: Retired Maple Grove teacher Dave B. Radovich...[dbradovich@earthlink.net](mailto:dbradovich@earthlink.net)

Remaining Spring 2009 Dates:

Monday, April 27<sup>th</sup> 2:45 L.I.C AND Monday, May 18<sup>th</sup> 2:45 L.I.C

#### Box Tops Scoop

Mr. Macadoo's Class was our spring Box Top winner!

Congratulations!!

Macadoo = 467!!!!

Runners Up... Smith = 430 Rightler = 427

Thanks to everyone who participated by collecting Box Tops to raise money for our school.

Keep clipping!

## Teacher Talk - Gym Music, and Art News

### Gym News

FROM THE GYM:

Just a reminder - mark your calendars for Field Day on Thursday, May 7<sup>th</sup>! The primary grades (1-3) will have Field Day in the morning. Grades 4-6 will have Field Day after lunch. Start thinking sunny thoughts!

The last month has been a blast in the gym. Grades 5 and 6 participated in a unit called Teambuilding through Physical Challenges. Classes were grouped into random teams of 6-7 students and given a series of challenges to solve throughout the unit. I am always amazed at how creative the thinking gets during this unit. Teamwork and a positive attitude are critical to each team's success in solving the challenges.

Grades 3 and 4 have been working on their balance and coordination through the practice of circus arts. We have been walking on stilts, using balance boards, and juggling everything from balls to scarves to spinning plates. This unit is always a favorite during the year. Many of the students have asked where they can purchase the equipment that we have used in this unit. The website I use most often is [www.gophersport.com](http://www.gophersport.com).

Grades 1 and 2 have been working on their ability to strike using long-handled implements (i.e. hockey sticks). Dribbling, passing, and shooting at a goal have kept us busy during this unit!

As the weather continues to be beautiful for this time of year, remember to get outside and have some fun!

Shauna Wujek

**Katee Harrington**

Kindergarten Winter Birds Collage:  
**Sammy Lautrup**

The Art Show was on display at Red Rocks Community College from March 2<sup>nd</sup> through March 27<sup>th</sup>.

We have completed the construction of our clay projects and what fun we had!!! Lots of creativity and craftsmanship was exhibited in this unit.

Projects are now in the process of being fired in the kiln and will be painted and glazed in April, and be put on display in May!

## THINGS WE COULD USE IN THE ART STUDIO:

- \* ice cream **BUCKETS**
- \* boxes of inexpensive **TISSUE**, for noses and projects!
- \* old **WOOL SWEATERS** for felting projects for next year, ugly, plain, pretty – we can use them all!
- \* **Plastic grocery bags** to store clay projects in
- \* **PAPER!** Old letterhead, spare reams of any kind, old envelopes, etc.
